

Josie: RHI!!!

Rhi: (laughs)

Josie: You can't do that to us!

Rhi: Well, so I will remind you—

Josie: You can't do that to Phin!

Rhi: --what is in the Docks District.

Minna: Oh, *fuck!* No!

Josie: Uh-huh...

Rhi: There ya go. The needle just dropped.

Minna: (gasp)

Rhi: Ink Row. Which includes, among other things, the offices of the North Hook Mirror.

Minna: (pained groan) (muffled) Oh no... Lani and Roxanne...

Josie: Oh, my god.

Rhi: So! We'll deal with that next session.

Minna: (whispered) *Fuck.* (normal voice) I kept trying to imagine what the bad cliffhanger would be—

Josie: You can't do this to us, Rhi.

Minna: --did not imagine this! Literally while Rigney was at the door I was tense, while we were going to the Nest I was tense.

Josie: Mm-hm.

Madge: (laughs) I was terrified that we were gonna lose Rigney there.

Rhi: No. No, I have other plans for Rigney, don't worry.

Minna: (anxious humming)

Madge: No! Phin likes him!

Rhi: Everybody likes Rigney, Rigney's the best! Um... (laughs)

Josie: Rigney better not be the R.

Minna: Which is why Rigney should have a nice quiet romance in the background, and, all good things.

Rhi: Yeah, man... Yeah.
